

# MPSD Boundaries & Elementary Attendance Areas – Rural Area

**Manitowoc  
Wisconsin**

Lake Michigan

**MPSD  
Boundaries**

The Manitowoc Public School District includes the entire City of Manitowoc and some of the bordering rural areas - a total of 93 square miles. On this map, the MPSD is pictured in three colors:

- Green indicates City of Manitowoc (see map inside this brochure)
- Yellow indicates rural area (elementary students residing here go to Riverview Elementary School)
- Blue indicates rural area (elementary students residing here go to Monroe Elementary School)
- Brown indicates rural area (elementary students residing here go to Franklin Elementary School)
- Pink indicates City of Two Rivers (students residing here attend Two Rivers schools)

Please note: White areas belong to neighboring school districts (Valders, Mishicot, Reedsville, and Two Rivers). These are separate entities from the MPSD. Students residing in these districts may go to MPSD schools if they apply via Wisconsin's open enrollment provisions or pay tuition (call 920-686-4777 for information).
